

Morningson Life Saving Club

Nipper Code of Conduct

As a member of the Morningson Life Saving Club (MLSC) there are certain expectations that all members of our club must be aware of, and practice at all times. The fundamental reason our club exists is for the enjoyment of it by its members and, with this in mind, the following Nipper Code of Conduct has been established to ensure everybody enjoys a safe, friendly and inclusive environment.

- **I will always be safe and play by the rules.**
- **I will work hard for myself and my team.**
- **I will listen and follow the instructions of my coach or team manager.**
- **I will look after the equipment.**
- **I will treat everyone as I would like to be treated.**
- **I will be a good sport, when I win and when I lose.**
