

Circular 050.08.26

To: Presidents Club Captains
Secretaries Coaches
Team Managers Junior Coordinators
Competition Managers Assistant Team Managers
Delegates Officials

From: Sharon Rich, Lead Coordinator, Development

Date: 26 August 2026

Action: Submit expression of interest after completing all components of online modules

Expression of interest: technical official practical assessments

LSV Sport is inviting expressions of interest from club members who have completed all online training requirements and are ready to undertake their Technical Official Practical Assessment during the upcoming summer carnival season.

Under the current SLSA Officiating Framework, accreditation consists of two key components:

- Completion of the online training modules
- Successful participation in a face-to-face practical assessment

Club members who have completed all online learning components are encouraged to register for one of the Technical Official Practical Assessment opportunities being conducted throughout the summer carnival season.

These practical sessions provide participants with the opportunity to learn new skills in a live carnival environment and progress towards full accreditation.

The online accreditation courses for technical officials can be accessed through the LSV Member Training portal - <https://mt.lsv.com.au/>

Further information regarding the accreditation process can be found [HERE](#).
